

Throughout her years in production, Vera has accrued a large inventory of wardrobe stock and equipment.

Since her office/studio is now overflowing with such wardrobe gems, she feels like she must share the love (and make the space).

So watch out Kits & Expendables & Wits End!

She offers rental of her inventory at a fraction of the prices normal rental houses will charge. Please see below, and contact Vera at vera@veracoco.com to raid her “cloffice” (closet + office)!
